Description:

Rented! Lovely family home in a very desirable, established Smiths Parish neighbourhood. With spectacular views of the South Shore coast line, the porch, sun room and the pool deck are ideal for entertaining or just relaxing. Enter the home through the front door and the foyer opens up to the spacious, light filled great room. This large living room, with new dark hardwood floors and a gas fireplace, leads out to the sun room overlooking the pool and gardens. The kitchen is well equipped and looks out onto the quaint bricked back yard area with blossoming mature flowering plants. Two bedrooms have Southern views of the ocean, as well as the coastal line. Three full bathrooms, one having recently been renovated. All in all this is a wonderful home that has been well maintained, and would be perfect for the discerning family! There is a studio apartment with a separate assessment number that can be used for guests, a nanny, or work out room / pool house! An ultra-violet water filtration system for the whole house has been placed. The garage leads directly into the kitchen, very handy for the rainy days with groceries! There are many nooks and crannies to explore in the very well maintained gardens. Visit soon!
