

Quarter Deck

Description:

SOLD! This gem is located within walking distance to Hamilton, and enjoys lovely, active Harbour views from the yard and the patio. The kitchen has been recently upgraded and is modern and bright with new appliances. Open plan dining room and living areas, separated by arched walls. The wooden flooring has been recently refinished and gives a sense of old world charm. There are wonderful accents, such as arches, moldings and a large working fireplace. There is a yard that wraps around the cottage, and a small patio from which to enjoy the wonderful views. The carport has direct access to the kitchen, and holds the laundry facilities. With three good size bedrooms and plenty of storage space, this gated cottage is ideal for a small growing family.
